AC: 1212-6127 This presentation is the property of ICMA-RC.

Hello City of Charleston Employees!

As your ICMA-RC Retirement Plans Specialist, I look forward to working with you and assisting you with your retirement planning needs!

A 457 Deferred Compensation Plan is a supplemental retirement savings program that allows you to make contributions on a pre-tax basis. Federal, and in most cases, state income taxes are deferred until your assets are withdrawn, usually during retirement when you may be in a lower tax bracket.

You may also visit the intranet for a short video that will also explain the benefits of the plan. You can access the intranet by typing intranet into your browser.

Contact me with your retirement planning questions at 800-290-7158.
