WAIVER AND RELEASE AGREEMENT

THIS IS A RELEASE OF LIABILITY – read CAREFULLY before signing

In return for receiving permission from The Graffiti Task Force to allow me to participate in the Graffiti Removal Program, I agree to assume all risks of loss and injury that may arise out of my participation and I agree to waive any and all claims against the City of Charleston and the Graffiti Task Force.

I hereby release, and agree to indemnify and hold harmless the City of Charleston and the Graffiti Task Force, my co-volunteers, and any and all agencies which sponsor my work, and their respective agents, representatives, officers, employees, successors, assigns, and insurers, and hereinafter referred to collectively as “the Releases,” from any and all liability, claims, demands, or actions or causes of action whatsoever, arising out of damage, loss or injury to my person or property, whether anticipated or unanticipated, while participating in any of the activities contemplated by this agreement, whether such damage, loss, or injury results from the negligence of the “the Releases” or from some other cause. This release and agreement shall be binding upon me, my heirs, successors, assigns, administrators and executors.

I expressly acknowledge, represent and agree that expressly identifying and explicitly naming my co-volunteers and the respective sponsoring agencies, agents, representatives, officers, employees, successors, assigns and insurers of the parties released, all of whom I intend to be released by this document, is a practical impossibility for the parties. The undersigned and the parties released herein expressly acknowledge that, for good and valuable consideration, the terms “sponsoring agencies, co-volunteers, respective agents, representatives, officers, employees, successors, assigns, and insurers, “ however used in this waiver and Release Agreement are expressly and explicitly intended all and each and every individual, person, firm, entity and corporation who are now, or at any time may be included in the specifically listed categories.

I realize that working on a project may involve the use of tools as well as other risks and hazards. I will be working around other participants who may not be accustomed to this type of labor. I am aware of the risks and hazards inherent in participating and do hereby assume sole responsibility for all such risks and waive all claims against “the Releases”.

I agree to abide by the rules and regulations of the City of Charleston and the Graffiti Task Force while participating in this project. I hereby acknowledge that I have read, understood, and voluntarily agree to the foregoing waiver and release agreement.

I acknowledge any information I provide on the Volunteer Profile will be provided to the City of Charleston and the Graffiti Task Force to help select volunteers. I waive my right to privacy in the information which I have voluntarily provided.
