

### **Visitor Parking Pass for Businesses within a Residential Area**

In order to uphold the City Code as enacted by Council businesses within a residential area will be entitled to One Temporary Visitor Pass per year. (Section 114-578).

“Authorized permits: ...Owners of non residential buildings within the designated area may purchase one visitor permit”.

As you will see from the enclosures these areas are designated for residential use only. Please understand the visitor pass is to be used by your customers while transacting business. It is not to be used for employees to park in the residential area. Any violation of this will be subject to ticketing (\$75 per occurrence).
